Ernie Boyer Sabbatical 2017/18 :o)

Ernie has advised that due to important family commitments, that he is not available to participate in all Club's Leagues this season, however he hopes to attend some of the Club Nights. Ernie has also indicated he could be able to "substitute" where dates permits. Any member looking for a "sub" outwith their rink is welcome to contact him as an option.

FIXTURES/PLAYERS WITH RED FONT ON PROGRAMME

This is to highlight some External Weekend fixtures or midweek games with "unusual" timings.

I have also noted some members who have been drafted in due to potential daytime ice or holiday commitments having left rinks short.

****I would be obliged if ALL MEMBERS check ALL PAGES to confirm matches allocated to them throughout the season.****

All holiday commitments submitted to Match Secretary prior to Monday 28th August, 2017 have been "honoured" :o). Normal "substitute" rules now apply (Refer Page 6). Please remember to advise "Skip" of any changes.

New Member – John MacGalloway

I am pleased to advise we have secured another new member this season – John MacGalloway. John joined us for our Summer Social Night & I am sure he will be a welcome addition to our Club. As per norm, we have given John a few fixtures to let him ease his way into the Club & together with a few Club Nights, will aid his curling experience. John has been allocated a rink in Bill Kidd League, however I would suggest anyone looking for a "sub" in this competition especially if "out of rink", that consideration be given to him.

SUBSTITUTIONS FOR ALL BORELAND INTERNAL CLUB COMPETITIONS

At the AGM in May 2012, the Club agreed the following rules for substitutions within all Club Competitions.

In the event of a member not being able to play in their designated game:

1. Substitutes should always be chosen from own rink first (if possible) – they may play in any position within rink, as decided by the skip
2. If necessary, substitutes from other rinks may be chosen, but they will play at Lead (1 substitute), Lead and Second (2 substitutes) or Lead, Second and Third (3 substitutes)
3. In order to maintain the balance of games as far as possible, substitutes from other rinks should, wherever possible, be of a **SIMILAR SKILL LEVEL** and not from the first person who responds to a blanket email !!
4. Multiple substitutions in a rink will be agreed between the opposing AGM-appointed skips prior to the game or, failing that, the playing skips immediately before going onto the ice – common sense should always prevail to try to ensure a balanced game
5. Skips should **NOT** be substituted from other rinks – there might be a conflict of interest. However, and only if absolutely necessary, a skip may be a substitute for another rink, **but must always play at LEAD**
6. The player arranging the substitute **MUST** inform the skip of the change as early as possible
7. In addition, there are slight modifications to Rule 2 above for the League Cup, Knock-out, Bill Kidd and Pairs Competitions. Please refer to the individual competition for these modifications.

Please be aware that some members have chosen not to play in some competitions.

The Boreland rule for playing against an “incomplete” rink was also clarified at the 2012 AGM, as follows:
The defaulting rink loses one shot for each five minutes that they are short of a player up to a maximum of six shots.

WEST FIFE CURLING PROVINCE LEAGUE COMPETITION

The following rinks have been selected to represent the club in the West Fife Province League. The first named in each rink is the skip and he must ensure that his rink turns up on time on the correct day at **Kirkcaldy Ice Arena**. Boreland substitution rules do **NOT** apply for this competition – **members should contact their skip before arranging substitutions**.

Skips should ensure that the Boreland Results Webpage is updated promptly (+ details of Scores to the Match Secretary).

This is a straightforward league competition with each rink playing the others twice. The rinks below have been selected by the committee. The skips, the first named players for both rinks in each match, are responsible for ensuring that their rinks turn out on time at the correct venue ([Kinross](#) or [Perth](#)). **Any member unable to fulfil any of the fixtures must arrange his own substitute as per the club's substitution rules on page 5 above. It is imperative that substitutes are arranged so that the evening is not spoilt for the seven other club members.**

INDOOR GRAND MATCH 2020

Please note following the 2014 RCCC AGM, it was agreed that an Indoor Grand Match will take place every 5 years. Boreland Curling Club will raise the matter at the AGM prior to the event to ascertain members wishing to be considered for selection. The Club Committee will select Rinks from the list of applicants.

"POTENTIAL" EXTERNAL GRAND MATCH.

As all members will be aware, it is increasingly more difficult to overcome Health & Safety issues to allow an external Grand Match to take place. Boreland Curling Club will endeavour to enter a Rink in any future event with the Club Committee selecting the Rink.

It should be noted that this will be subject to limited notice due to the extreme weather conditions required. Due to this matter it has been decided not to include a proposed Rink when issuing our annual Club programme.

Development Friendly Match Rink Criteria

1. New or relatively new curlers at Lead or Second
2. A more experienced curler at Third, but someone who doesn't normally get the chance to play in that position
3. A curler at Skip who has never or very rarely skipped before.

Rinks for the Development Friendlies will be subject to change after Boreland "Try Curling" event on Monday 11th September 2017 to allow any "new curlers" the chance to be selected. This will allow The Club to keep things low key & to build up slowly especially with other Clubs. At present the expectation is to select rinks from the following members:

Anderson J, Brown A, Brown B, Clark, Craig, MacGalloway, Mitchell S, Purvis, Pook, Rintoul, Shaw, Simon, Watt & Young.

Matches being played on "early sessions" may affect the selection of rinks especially for any "working" member meeting the criteria noted above, however we will endeavour to field our "less experienced" members.
